

Nestor Falls Musky Cup Rules & Regulations-2022

1. The Nestor Falls Musky Cup tournament format is a two person team, fishing for 2 days, daily and total combined length of 2 best daily fish, live release tournament.
2. The tournament director has the right to delay, cancel or shorten the tournament, subject to weather and/or safety considerations. The director also reserves the right to refuse entry to any team or individual for any reason deemed appropriate.
3. Nestor Falls Musky Cup tournament, its promoters, sponsors, organizers, hosts, directors, officers and affiliated organizations assisting the operations of the tournament their agents and/or agent and assigns are not responsible for any death, injury, damage, liability, fire, theft, or loss that may result prior to, during, or after the tournament howsoever caused.
4. Competitors must be a minimum of 18 years of age unless they have permission of their parents and guardians. All participants will require a waiver of claim, release and indemnification agreement signed by them or their parents or guardians, if applicable.
5. All anglers must possess a valid Ontario sport fishing license.
6. The tournament is limited to 40 boats.
7. Entry fee per team is \$400.00 (Canadian).
8. For cancellations received after 30 days prior to the first day of the tournament will be refunded less \$00 CDN. Refunds received thereafter will be accepted only for medical and family reasons.
9. Moving fish from one location to another during pre-tournaments fishing is prohibited.
10. All competitions must cease pre-tournament fishing by 5:00 p.m. Thursday September 24, 2022.
11. No contestant may enter the tournament waters for the purpose of catching or locating musky or possible fishing locations after the rules meeting, and before and after daily tournament hours.
12. All muskies must be live-released immediately after being measured at the point of catch in a healthy manner.
13. No fish shall be brought into the boat unless it is for verification of length of a minimum legal length of 54 inches. Any musky that measures less than 50 inches that is brought into a competitor's boat will be disqualified.
14. A daily limit of 2 musky per team may be judged. There is no limit to the number of fish measured by anglers participating in the Nestor Falls Musky Cup.
15. There is no minimum size requirement for judging. Musky will be measured with the mouth closed and tail pinched on the daily measuring device provided by the tournament director to each team.
16. Video for each team's fish will be presented to the judge in a format that is transferrable to a computer (i.e., an SD card, or on a device with a USB cable, supported by Windows 8 Operating Systems). Teams are asked to bring their video equipment to rules meeting for a compatibility check. Submitted video must capture the total length of the musky and must be of sufficient quality to identify the measurement markings.
17. All lengths determined by the judge are immediately officially and are not thereafter contestable. All muskies will be judged to the nearest, lower half-inch. For example, a musky measuring 48.25 inches, will be scored as a 48 inch musky.
18. A back up video on a second device will be allowed.
19. Video evidence of proper and healthy release of musky must be provided with the submitted length video for qualifying muskies to be judged. Any musky deemed to be released

in an unhealthy manner, missing release video or insufficient evidence of healthy release will have 12" deducted. There can be one continuous video of measurement and release or two separate videos.

20. The tournament director reserves the right to disallow the use of any boat, motor and/or equipment deemed unsafe, inappropriate or unsuitable.

21. All boats equipped with any emergency kill switch mechanism must have the kill switch tether securely attached to the operator whenever the boat is on plane.

22. Team number motor tags will be assigned (upon payment of entry fee) and given out at the registration. The numbers must be affixed to the left cowl of the main engine so that they are clearly and plainly visible.

23. Teams are required to have their equipment ready and on the water 30 minutes prior to the scheduled departure time of their flight. Late arrivals will be penalized and leave at the end of the next available flight.

24. Boat inspection will take place each morning commencing at 6:30 am @ Tinker's dock.

25. Teams must have all tackle boxes, hatches and live wells ready for inspection.

26. On day one, teams will be started in order of their registration. They will be called and released every 10 seconds using a signal flag and blow horn. Each team must acknowledge by waving at the official starter boat, then accelerate when waved on. Day 2 the order will remain the same.

27. Any team starting or attempting to start out of order will be held by the Official Starter until the balance of the flights has departed.

28. Starting times for each day will be 7:30 am. Return times will be 5:00 pm each day.

29. There will be a 1" penalty for each minute late up to 5 minutes. After 5 minutes, teams will be disqualified
